

STAGESTRUCK MUSICAL THEATRE

ELECTRIC MOON THEATRE COMPANY brings Broadway to **BAYVIEW GLEN PS** with StageStruck Musical Theatre! This captivating lunch-time program is perfect for any child who likes to sing, dance and act. This is a non-competitive theatre program and no past theatre experience is necessary – all you need is an open-mind and big imagination!

Does your child dream of being on stage? Taught by theatre professionals, in this performance-based program junior actors will discover the joys of theatre arts. Featuring basic elements of musical theatre and acting, via song, dance and scene work, students will be immersed in the music of their favourite Broadway shows. Over the course of the program they will learn improv and theatre games, learn full song and dance numbers, work on character development and more!
