Dear Friends,

I am writing to thank you sincerely for your generous contribution to the 2018 Thornhill Christmas Assistance Program. We are so grateful for the support of donors such as you. Our program relies solely on the generosity of local schools, churches, service organizations, local businesses and many, many individuals. We are especially thankful too for the volunteers who picked up donated food and new toys and also those who sorted, packed and delivered the hampers.

The Program served over 130 families this year, including families referred to us from Yellow Brick House Women's Shelter. Surplus food was donated to our local food banks and left over toys to the fire department. On behalf of the Thornhill Christmas Assistance Program, I want to express our deep appreciation to you for helping to make this year's program such a success.

Warmest good wishes for a wonderful New Year.

Yours sincerely,

Darlene Macartney,

For the Christmas Assistance Program
