Dear families,

We are so excited to welcome you to the 2019-2020 school year at York Region District School Board. We hope that you are looking forward to a year of learning, growth and discovery. It is important to us that all of our students and families know that they are a valued part of our school community. Each and every child has important and unique contributions to offer and we aim to create learning environments where they feel safe, respected and supported in making those contributions.

It is a privilege to work alongside families to support your children in exploring their interests, learning more about the world around them and reaching their full potential. We are more successful in doing that when there are strong connections between our schools and families, and we hope you will find opportunities to build those important connections throughout the year.

Our work to provide your child with the best possible education is guided by four priorities set out by the Board of Trustees in our Multi-Year Strategic Plan: Foster Well-Being and Mental Health, Build Collaborative Relationships, Champion Equity and Inclusivity, and Empower Ethical Leadership. [Our plans](#) are available on the Board website or you can make a request through your school office.

As part of our commitment to build collaborative relationships, we will continue to keep you informed about our work at the board and important news and events through our website, social media and through your school. We look forward to connecting with you, and wish you a happy, safe and successful school year.

Sincerely,
