*"I just wish people would realize that anything's possible if you try;
dreams are made possible if you try."*

Dear Malcolm and Joan,

The 2021 Terry Fox School Run season is coming to a close and what an incredible year it has been! Schools in Ontario and across Canada stepped up to support cancer research in a big way. It is always inspiring to watch educators and students "Try Like Terry" and go the extra mile for cancer research.

Please convey our gratitude to the staff and students of Bayview Glen Public School for raising \$1,375.70 in Terry's name. We truly cannot express the depth of our appreciation to you and your school community for giving the precious gift of hope to those facing cancer, and to their loved ones.

We were once again humbled by the resiliency of Canadian students and teachers who, in the face of tremendous challenges, rallied together to ensure that Terry's legacy continues. We often talk about the perseverance, dedication and compassion Terry exhibited during his Marathon of Hope. In 2021, we saw the same in our schools - you gave it your best Terry *TRY*.

As a small token of our gratitude, please find the enclosed 2021 Terry Fox pin, in recognition of all that you do to share Terry's dream with the next generation. We look forward to working with you again next year for the 2022 Terry Fox School Run!

With heartfelt thanks,

Lisa Armstrong, Nishi Bansal, Pamela Politano
Ontario School Team
The Terry Fox Foundation

P.S. We are so impressed by your remarkable fundraising effort this year! Thank you for leading by example and showing us how incredible our schools are when they "try like Terry."
